Title: Call for nominations for Level 1 Official Course 2016/17 – South Coast Branch Inc.
Audience: All Clubs
Summary: Level 1 Official Course 2016/2017
Date: 18/08/2016

SUMMARY

Nominations are called for the Level 1 Surf Sports Officials Course for the 2016/2017 season. Clubs have an obligation to supply sufficient Accredited Officials at both Junior and Senior Carnivals to allow members to compete. Under the supervision of a qualified and experienced Surf Sports Officials you will experience both knowledge and practical training and assessment.

Volunteering to become an accredited Level 1 Surf Sports Official requires a high level of commitment and it is advised that you consider this before nominating for this position. Only those that are committed to attending the course and completing two practical assessments this season should nominate. The Branch is looking for attendees who see a pathway for themselves in officiating and do not hold any other positions which will restrict them from officiating duties such as being an Age Manager.

Participants must be financial members of their Club and it is recommended to have had at least one year's involvement in Surf Lifesaving.
